SCIC « Votre Vie » SAS à Capital Variable

The YOUR LIFE COOP provides its members with the tools described below for improved operational media coverage.

Starting a business (in 2026) is always a challenge, regardless of available resources.

The YOUR LIFE COOP does not have the financial resources that many consider essential for its development.

For our part, we are developing a service offering to provide each member's business with a range of communication tools.

THE TOOLS: our website

Its so amawing to eat with King Kong !

n English At the exit of Los Banos there is not a good reason to stop. Eating in a "remarkable" setting.

The place does not lack a certain picturesqueness as it is decorated with enormous statues mixing "Bollywood" and "Tahitian" folklore if I understood correctly!

Located on a reservoir and therefore made up of a large number of restoration lots. This is indeed a restaurant that can accommodate large groups. No problem with space and the welcome and service are there.

Once installed on your floating cabin (but not too much) you can choose traditional Filipino dishes. Which, given the good humor of the guests present, satisfies both their appetite and their taste buds.

To conclude, you eat at société for 9 euros per person which is, for such a restaurant off the beaten track, perfectly good value for money.

We will come back !

Becoming wealthy isn't just about improving one's standard of living. It's also about becoming richer thanks to other members, through their solidarity and shared humanism.

VOTREVIE la COOP **VENDEZ ET DEVELOPPEZ VOS PRODUITS ET/OU VOS SERVICES AVEC LA COOP MULTI SERVICES I**

LA COOP VOTRE VIE : c'est tout d'abord un concept GLOBAL

Le Concept de Multi Services est développé par la SECC COOP VOTRE VIE SAS et animé par le Comité de Direction. Ce dernier supervise et contrôle toutes les opérations engagées au profit des membres adhérents, dans l'esprit de coopération et de solidarité tels que développés dans les statuts. Le Comité développe, le site www.votre-vie.com et valide les opérations menées par le Centre en relation avec le réseau constitué des membres actifs.

REJOINDRE LA COOP VOTRE VIE c'est bénéficier d'un support COMPLET pour développer votre affaire ou intégrer une affaire existante.

C'est aussi la volonté de développer des services et des produits dans un esprit de réussite. Cette réussite se mesure par un chiffre d'affaires suffisant pour couvrir les charges d'exploitation qu'il génère. L'obsession d'un profit « indicent » n'entre pas en ligne de compte mais la COOP VOTRE VIE ne s'oppose et ne finance AUCUNE ACTIVITE. Par contre elle apporte à tous ses membres une capacité organisationnelle, comptable, juridique et commerciale qui leur font défaut.

REJOINDRE LA COOP VOTRE VIE : c'est bénéficier d'un MARKETING ACTIF et d'ACTION COMMERCIALES PERCUTENTES
